

What Brings **YOU** Peace and Joy?

It's not easy for Americans to find peace today—a stumbling economy and political bickering has the nation on an emotional rollercoaster. What if we knew how to unlock the peace and joy that exists in every moment of every day? Just ask Lauren Moses. This Harvard MBA graduate left her position at JPMorgan to share her insight across the U.S. By asking ordinary Americans four simple questions, Lauren has garnered deep understanding of living joyfully. Coupled with motivating readings, you can discover these revelations on her debut spokenword album, *Inspiration Kit #1*.
